YEAR IN REVIEW

YEAR IN REVIEW

Every yearbook needs a theme. This year's editors came up with many titles but finally agreed on "Take One Last Look". Don Henley's song, "The End of the Innocence," also goes along with the theme and our four years at Winthrop High School. During these years, our class created lasting friendships while also completing the expected schoolwork. Many of us were involved in sports, drama, band, academic teams and other clubs where we learned and became more well rounded individuals. I hope that nobody forgets the four years the class of 1991 has spent together at Winthrop High School. "Take One Last Look" is our book and reflects our years through high school. I hope everyone enjoys it and makes the memories live forever.

-Elizabeth Spinney

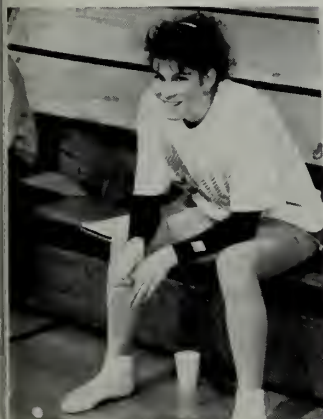

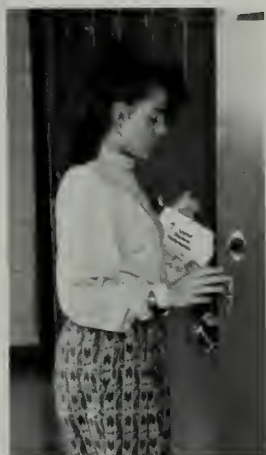

Remember when the days were long
 And rolled beneath the deep blue sky
 Didn't have a care in the world
 With mommy and daddy standing by

Who knows how long this will last
 Now we've come, so far so fast
 But, somewhere back there in the dust
 That same small town in each of us

I need to remember this
 So baby give me just one kiss
 And let me take a long last look
 Before we say goodbye

Don Henley

Having a good day?

That was easy!

Don't look at me like that!

Smile girls!
